Covington, KY 41011

OPTICIAN

C

A

\$34,800

Dispensing opticians help fit eyeglasses and contact lenses, following prescriptions from ophthalmologists and optometrists. They also help customers decide which eyeglass frames or contact lenses to buy.

PHARMACIST

D

\$121,000

Pharmacists dispense prescription medications to patients and offer expertise in the safe use of prescriptions. They also may conduct health and wellness screenings, provide immunizations, oversee the medications given to patients, and provide advice on healthy lifestyles.

OPTOMETRIST

D

\$103,000

Optometrists examine the eyes and other parts of the visual system. They also diagnose and treat visual problems and manage diseases, injuries, and other disorders of the eyes. They prescribe eyeglasses or contact lenses as needed.

OPHTHALMOLOGIST

D

\$200,000

Diagnosis, treatment and surgery for conditions affecting the eyes.
